A Message from the Senior Class Advisors:

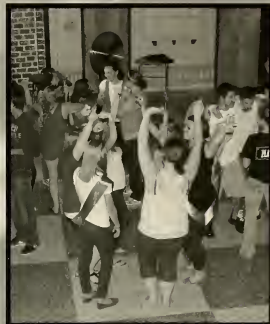

Congratulations, Class of 2011! The last four years have been outstanding and full of achievement—not only academically but athletically and socially as well. As a class, we have had many fundraisers. A few fundraisers were incredibly fun such as the car washes, bottle drives, and of course "Battle of the Bands". Some fundraisers were simple and profitable such as selling beach towels, entertainment books, and magazines. In the end, the most memorable fundraiser would have to be "Cow-A-Dunga"! We never would have thought that after all the work and ticket sales that one fundraiser would raise more than 10,000 dollars. After that event, we were so proud to be your advisors! We were proud and cheered when the girls brought us a "Flag Football" victory two years in a row. It was amazing! Do not forget the other memorable activities such as "Senior vs. Faculty Basketball" that created memories and helped you fill your class account. Senior year we finally got the chance to use that class account as we planned memory building events for the entire class including prom and the class trip to "High Meadow", which were both amazing. As you leave, you can look forward to college, jobs, the military, and of course your fifth year reunion. Upon graduation, you will become proud members of a Minnechaug alumni group that now totals nearly 12,000! It is our hope, as your advisors that you will continue to stay connected to your classmates, to your school, and to your community. We wish you the very best and brightest of futures.

A Message from the Superintendent

Dear Class of 2011,

I am sure many of you spent a considerable portion of your senior year gazing out the windows of J, K and M halls, watching the progress on the construction of the new Minnechaug Regional High School. The progress has been remarkable. A 241,000 square foot building has gone up quickly and efficiently.

How did it happen? Mostly it was the result of careful planning and reliable blueprints. The work of hundreds of tradesmen and women was guided by detailed architectural designs and plans. They knew what the finished product looked like, so they knew where to put every nail, screw, wire and brick.

The progress and growth you have made during your years at Minnechaug has also been remarkable. You came in as children and leave us as adults. You have grown along with the Minnechaug project. Yet your growth has progressed even though the blueprint of your lives has changed over the years. Unlike the contractors working on the new Minnechaug, you are not working toward a final, fixed design. In fact, the blueprints of your lives are not yet complete. No doubt you have goals and aspirations, but none of you truly know how the finished product will turn out. This can be disconcerting, but I encourage you to embrace the uncertainty, as it can lead to great opportunity. Know that as you leave us, you are now the architects of your lives, designing a future based on the educational foundation you established while students here at Minnechaug.

Congratulations and best wishes as you begin your lives as graduates of Minnechaug Regional High School!

A Message from the Principal

Dear Minnechaug Family,

This is a special place. Over the past year, I have learned about its challenges, its successes, its students, and its staff. It is a family. As you know, our current building's shadow casts across the footprint of a new Minnechaug, a new horizon for the towns of Hampden and Wilbraham.

The challenge before us is to bring our sense of family from this building to the new building. Our core values of wellness, integrity, intellectual development, community, and citizenship will continue to serve as our guideposts to design an educational program that embraces change, welcomes challenge, and inspires creativity.

The Minnechaug Family will continue to grow stronger based not on where its footings lie but on what we as a community believe in and how we go forward to assist our global community. Thank you for being a part of our family. You are always welcome here and will be to over there.

Seniors, I hope you have had a memorable experience at Minnechaug. I wish you the best of luck in the future as collegians, as adults, and as future parents. One of my favorite sayings is, "Live, Laugh, Love". I hope every day you are able to do just that.

Best Wishes,
Stephen Hale

FALCON PLAYERS COMPETE AT METG FESTIVAL

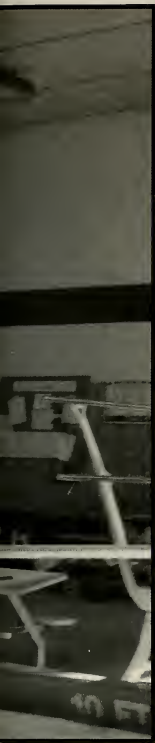

The Minnechaug Falcon Players competed in the Massachusetts Educational Theater Guild Festival on Saturday, March 5th at Framingham High School. Eight schools performed and we presented the play Plaza Suite by Neil Simon and were very well received! We didn't win the overall contest, however Cori Stenning-Bames was recognized individually with an Excellence in Acting Award, and student director Nate Chivers won an Excellence in Directing Award. Making this victory all the more special was the fact that Nate was one of only two student directors at this festival site. Their competition was six adult drama professionals! Minnechaug as a group also won the Stage Manager's Award for technical skill and embodying the "Spirit of Festival". Adam Chivers, Madeline O'Connor, and Nick Frappier rounded out the cast, crew member Vivian Kolbinskie ran sound and lights, and stage crew members Alan Paquette and Richie Scott did the hauling and moving. Advisor Richard Scott and several parents who made the trips for support, watched proudly as the FALCON Players made this big audience roar with laughter! Bravo!

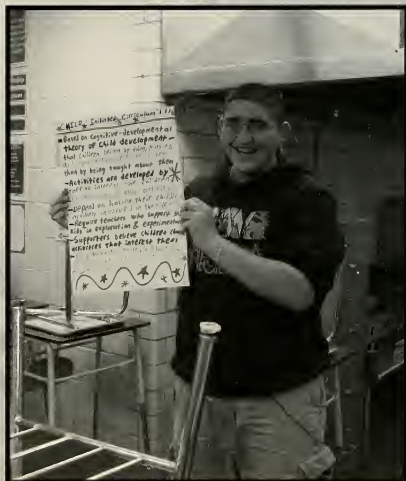

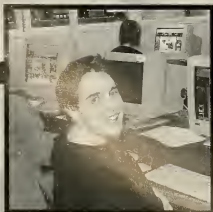

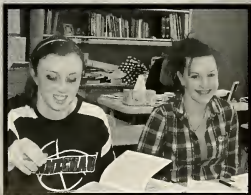

Technology Club members preparing for a Robotics Competition

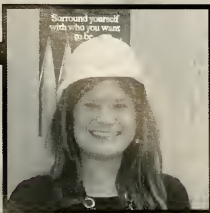

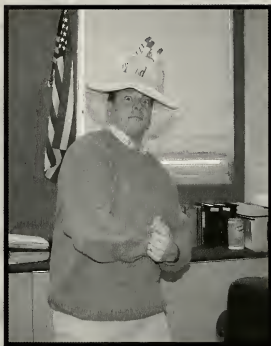

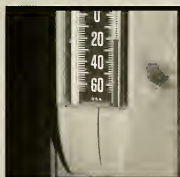

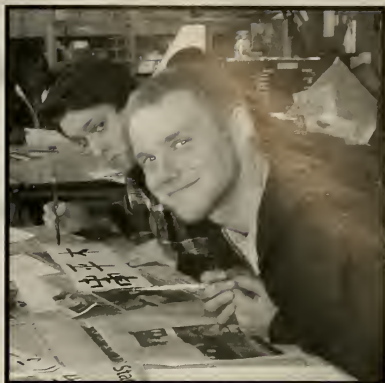

As always, we need to thank all the students, staff, parents, and community members who have contributed to the continued success of the FALCON Yearbook. A big part of that support is displayed on the next pages.

Particular thanks to **Madelaine Duval-Davidson** and the staff at Photography by Duval for their enormous help, and to **David Miles** of the Wilbraham-Hampden Times who is always incredibly helpful.

Reviving an old FALCON tradition on this page, the FALCON staff has picked our "relatively random, probably partial, basically biased, and totally unofficial, **CUTE-AS-A-BUTTON Award winners**. We hope you enjoy these last pages and the rest of the yearbook as much as we enjoyed putting it together.

Rachel,

You have accomplished much. Aim high and you will achieve even more!
